HOW DO WE MAKE A DIFFERENCE?

At Conway Flooring and Decking, we are more than a specialist installation company. We dedicate ourselves to making a difference in everything we do.

Our Managing Director, Byron Conway, has over 12 years of experience in the flooring and decking industry. His experience started at Bedson Timbers, where he manufactured and sold solid hardwood flooring. Then, at the Inovar Group, he installed residential and large-scale commercial site flooring.

We pride ourselves on our unrivalled service, artisan craftsmanship, and turnkey solutions. Managing every project from design and implementation to construction and completion.

Our focus is on building strong client relationships. We will go above and beyond to deliver customer satisfaction on all our projects.

We prioritise environmental sustainability and reducing our impact on the planet while providing high-quality flooring and decking solutions.

TRUSTED PARTNERSHIPS AND SUPPLIERS

Our High-Quality Flooring and Decking Suppliers

At Conway Flooring and Decking, we take pride in partnering with only the industry's best and most trusted suppliers.

Our approved suppliers include Finfloor, Azura, Traviata Flooring, Eva-last, The Composite Company, Bamboo Warehouse, and Timmdeck.

We have built strong relationships with these suppliers over the years, ensuring we offer our customers high-quality and sustainable products.

Finfloor, the original market leader since 1996. A distributor of quality laminate floors, solid engineered wood, and vinyl. Committed to fulfilling the ever-changing demands in design and innovation, ensuring their products are of the highest quality.

Their commitment to sustainable sourcing of natural wood reflects their responsibility to their customers and the environment.

TRUSTED PARTNERSHIPS AND SUPPLIERS

Inspired by nature and skillfully crafted by man. Finfloor creates an environmentally friendly, long-lasting, and safe product.

Azura as a leading importer and distributor of quality flooring products in Southern Africa since 1998. Offering the widest selection of hard floor coverings in the country, providing the best quality in domestic and commercial applications.

As one of the few distributors, they offer a range of flooring solutions. Their commitment to quality is evident in the brands they associate with, ensuring their products are of the highest standard.

Traviata Flooring is one of South Africa's largest importers and wholesalers of wood flooring products, with over 17 years of experience in the industry.

Traviata Flooring stands out for its high-quality products. In addition, they provide products that are environmentally friendly and reflect their commitment to sustainability.

TRUSTED PARTNERSHIPS AND SUPPLIERS

Eva-Last revolutionised the building industry. Offering eco-friendly composite products that do the job of traditional outdoor building materials more smartly and sustainably. Eva-Last ensures their products are of the highest quality.

Presenting the beauty of timber in a hassle-free, durable, virtually maintenance-free, and eco-friendly option.

Their cutting-edge engineering, lifestyle benefits, and thoughtful detail to aesthetics give it a more natural appearance.

The Composite Company, a renowned composite decking resource across South Africa since 2017. Driven by high quality and passion, with extensive expertise in composite decking.

The Composite Company enjoys transforming its customers' decking visions into tangible, high-performing realities.

TRUSTED PARTNERSHIPS AND SUPPLIERS

The Bamboo Warehouse specialises in eco-friendly bamboo decking and flooring. With 12 years of experience, the Bamboo Warehouse knows how to transform spaces using this scratch-resistant and water-resistant wood that never needs to be sanded. Not only is bamboo beautiful, but it is also an eco-friendly option that reflects our commitment to sustainability.

Timmdek is a Dutch eco-engineered composite decking product that enhances the outdoor features of your home. With their new range of low-maintenance decking boards, you get the perfect balance between design and ease of living. The ideal environmentally-conscious alternative to timber decking.

Our commitment to quality and sustainability is reflected in the suppliers we choose to work with. So you can trust that when you choose Conway as your preferred Flooring and Decking expert, you are choosing products from suppliers who share our values and commitment to customer satisfaction.
